Short Curriculum Vitae Andreas A. DANOPOULOS

Personal Information

Name	DANOPOULOS Andreas, Prof.
Date of Birth	12 th January 1959
Nationality	Greek
Marital status	Married, two children.
Appointments	
6/2018 - now	Professor of Inorganic Chemistry National and Kapodistrian
	University of Athens, Greece
1/2015 - 6/2015	Research Fellow, Université de Strasbourg, France
10/2013 - 12/2014	Fellow of the Institute of Advanced Studies (USIAS), Université de
	Strasbourg, France
10/2010 - 9/2013	Research Associated with CNRS, Université de Strasbourg, France
7 / 2003 - 6 / 2010	Reader, School of Chemistry, University of Southampton, UK
5 / 1998 - 6 / 2003	Lecturer, School of Chemistry, University of Southampton, UK
12/ 1996 - 4 / 1998	Research Fellow, Inorganic Chemistry Laboratory, University of
	Oxford (with Professor M. L. H. GREEN), UK
1988-90 and 1992-96	Research Fellow, Johnson-Matthey Laboratory, Imperial College (with
	Professor G. WILKINSON, Nobel laureate), UK
1987	Postdoctoral Research Fellow, Cardiff University (with Professor P. G.
	EDWARDS)
Qualifications	
1981	B.Sc. Chemistry, University of Athens, Greece.
1986	Ph. D. University of Athens, Greece (Title: Oxidation of Olefins with
	Supported Pd Complexes).
Area of specialisation	Organometallic / coordination chemistry / homogeneous catalysis.
Awards	Gutenberg Chair of Excellence 2010-11, Université de Strasbourg.
	USIAS Fellow (Institute for Advanced Study), Université de
	Strasbourg, 2013-14.
	Fellow of the European Academy of Sciences (EURASC, Brussels)
	since 2014.
Publications	149 scientific papers in peer reviewed journals.
Publication metrics	Current h-index 40. Cited <i>ca.</i> 5600 times
